ABOUT ONE HOPE UNITED

One Hope United helps over 10,000 children, adults, and families reach their full potential each year through early childhood education centers, community-based services, foster care, adoption programs, and more. Our work began in 1895 and continues to make a positive impact on communities.

AUDIENCE

Hope In Action 2020 will draw 300 influential business, community and philanthropic leaders who believe every child and family deserves a life without limits. Hope In Action was created to share our bold vision for OHU with new supporters and to create a meaningful annual experience for ongoing supporters who are active in the Chicago region.

MEDIA EXPOSURE

In the last five years, Hope In Action has been featured by major media outlets including ABC 7, Michigan Avenue Magazine, Chicago Sun-Times, WTTW, WGN Radio, and WGN TV. Each month, One Hope United's website receives thousands of visitors, and our electronic newsletter reaches over 5,000 supporters.

A LEGACY OF SERVICE

One Hope United takes time at each Hope In Action to recognize the people and stories that make us who we are. The 2020 gala celebrates 125 years of serving children and families, who, with One Hope United supporting them, have achieved life without limits.
